Thus the vendor, by not gelding the colt, is standing by his opinion that the animal is top quality and suitable for breeding purposes. If the colt is subsequently gelded or dies prior to serving mares or being adult registered, or does not pass veterinary inspection, 80% of registration fee will be refunded to the owner.

1. Applications must be submitted within 12 months of foaling.
 2. Breeders are to fill in all information correctly and return to the secretary with payment.
